# SETTING UP AND SUSTAINING A PRACTICE: PRACTICE ESSENTIALS

Where can you go to get the basic information for setting up a practice?

The ACA, formed in 1973 to represent the interests of Architects in Practice, have assembled a team to help you navigate the essential skills needed to run an efficient and sustainable architectural practice.

This seminar develops the central theme of setting up a practice. Speakers with experience in running leading architectural practices, experts in PII, long established VAT and tax practitioners and masters of marketing and social media will share their experience and ideas.

## Who is it for?

- newly qualified architects, architects returning to work
- architectural and architectural design students
- practice managers

## Speakers

**John Assael** Principal, Assael Architecture and RIBA Vice President.

**Terry Brown** Consultant, GMW Architects and ACA Vice President

**Alan Eyre** Managing Director, Towergate Professional Indemnity, providers of the ACA PII Scheme

**Chris Stebbing** Accountant, Simmons Gainsford LLP

**Phil Waind** Managing Director, Waind Gohil

**Brian Waters** ACA President and Principal of BWCP and architect-planner
